

Notes for SIM DBS-1134 Slates

Rhodes

1) Showing accesibility issues
treatment 1
(living room scene #1 in use)

Possible course of action
scene re-design because props adapt to slate
format very poorly

Rhodes

2) Showing visual tension/noise treatment 3 (Kitchen scene #3 in use

Possible course of action

edit line in red, mask out wooden block
(not critical), keeping bell peppers,
lighten hue of lower wood

Rhodes

2) Showing visual tension/noise treatment 1 (Kitchen scene #1 in use)

Possible course of action

Mask out kitchen drawer on the right image,
(not critical) if i could get same image but
without the chopping board

Hypnos

3) Showing visual tension

treatment 3

(bedroom/living room scene #1 in use)

Possible course of action

edit out the little element encircled.

Thanks
